INSTRUCTOR

Stephani Carter, I.D.T., LEED BD+C, QAD, Green Rater, Lean Green Belt, is the owner of EcoAmmo Sustainable Consulting. Since 2006, when EcoAmmo was founded, Stephani has been focused on innovating new ways to transition the world towards sustainability. She is passionate about the intersection of Lean and Green, and how the two benefit each other.

She is also passionate about the science of team engagement, understanding that human behaviour will enable or prohibit the transition towards sustainability. Combining all three has created a unique niche for Stephani and her company. Stephani was the 2020 recipient of the Green Building Champion award from the Canada Green Building Council-Alberta chapter.
