

LEAN YELLOW BELT CERTIFICATE ENHANCEMENT: TEAM WORKPLACE EMPOWERMENT 201

COURSE DESCRIPTION

Awareness of each other's strengths empowers a team to a higher level of performance. In this elective learn different methods for delegating and assigning team tasks that match to those strengths by studying case study examples.

Prerequisite: This training is an enhancement to the Lean Yellow Belt Certificate Training Program, with Team Workplace Empowerment, Team Building 201, and Team Culture 301 electives as prerequisites.

PROGRAM OBJECTIVES

- ✓ **Understand how to apply the concepts of 'high-performance teams' in an office setting**
- ✓ **Identify additional factors to consider when delegating and / or receiving tasks**
- ✓ **Understand how to assess team members and leaders**

INSTRUCTOR

Stephani Carter, I.D.T., LEED BD+C, QAD, Green Rater, Lean Green Belt, is the owner of EcoAmmo Sustainable Consulting. Since 2006, when EcoAmmo was founded, Stephani has been focused on innovating new ways to transition the world towards sustainability. She is passionate about the intersection of Lean and Green, and how the two benefit each other.

She is also passionate about the science of team engagement, understanding that human behaviour will enable or prohibit the transition towards sustainability. Combining all three has created a unique niche for Stephani and her company. Stephani was the 2020 recipient of the Green Building Champion award from the Canada Green Building Council-Alberta chapter.
